

Hello to all our family and friends!

Check out the pictures of our painting and craft session. Residents loved creating their own theme-based paintings.

From playing your cards right to word games and puzzles, our residents are always ready to challenge the staff and each other! We love this time together, chatting, bonding and enjoying a little friendly competition along the way!

Our residents enjoyed having pancakes for their afternoon tea, with a variety of delicious toppings of their choice. They loved getting involved in decorating their pancakes and even better, eating them! Jack said, “what a treat! This takes me back to my youth.”

A small group of residents enjoyed a session of cupcake making and baking. Christina commented, "I haven't made cupcakes for years, it reminds me of being at home cooking with my grandchildren."
