HELLO TO ALL OUR FAMILY AND FRIENDS!

Our residents prepared a wonderful fruit salad one afternoon. We placed a combination of all the fruits in a big bowl and served them to everyone. Our ladies and gentlemen said, “How refreshing this sweet treat was, and a nice change— Delicious!”

Johnny, our regular entertainer, joined us in the mid of January. He sang a wonderful selection of songs. as always, everyone had a great afternoon as he kept us entertained with his lovely voice.

Our lovely people who live here at Glenview enjoyed a chance to learn about their individual Chinese star sign symbol and the year they were born in Chinese. We also had Chinese art and craft sessions on the day and leading up to Chinese New Year. It has been fantastic to see how much fun everyone had.
