Hello again families and friends of Glenview

What better way to welcome spring than with a refreshing walk in nature? Residents recently headed to the local park to bask in the sunshine, enjoy the blooming flowers, and listen to birdsong in the gentle breeze. The air was filled with laughter, cheer, and the scent of blossoms—a perfect reminder of life's simple joys.

One cozy afternoon, the lounge was filled with the delightful clink of teacups and the hum of happy conversations. Over warm brews and sweet biscuits, stories flowed, and smiles bloomed. It was a sweet slice of togetherness that warmed us from the inside out.

"There is no trouble so great or grave that cannot be much diminished by a nice cup of tea."

Our Penguin Day was a splash of creativity and cuteness! Residents had a wonderful time painting charming penguins in snowy scenes. With laughter echoing and brushes dancing, each masterpiece was as unique as its artist—adorable waddling friends brought to life on canvas!

Fresh fruit, bright colours, and joyful chatter—our fruit salad session was bursting with flavour and fun! Residents chopped and mixed their way through bowls of berries, bananas, and more, sharing tasty bites and even tastier memories.

"An apple a day keeps the doctor away... but a bowl of fruit salad brings smiles all around!" - quoted by Christina.

What a toe-tapping treat! The talented Chris filled the lounge with timeless tunes and sing-along favourites, and the energy was infectious. Smiles, dancing, and a whole lot of humming made it an afternoon to remember!

"Music can change the world because it can change people."

Eggs, cards, bunnies, and more—our Easter arts and crafts day was a rainbow of imagination. Residents reminisced about Easter celebrations gone by while making colourful new memories with paint, glitter, and giggles.

Feathers flew, ribbons twirled, and glue sticks got a workout! Residents unleashed their creativity during our Easter bonnet-making session, crafting dazzling hats with flair and plenty of fun. The finished masterpieces were truly something to behold!

"Creativity is contagious, pass it on."

Easter Monday brought with it joy, colour, and a strong sense of community. With decorations galore and sweet treats aplenty, we celebrated the season of renewal in the best way—together.

Paintbrushes in hand and pastels on palette, residents created beautiful springtime scenes featuring bunnies, eggs, and blossoms. The art room was alive with colour and cheer—and now our hallways are too, thanks to these joyful creations!

*We celebrated several special birthdays with songs, candles,
and lots of love. Here's to more memories, more joy, and
dreams that keep on growing!*

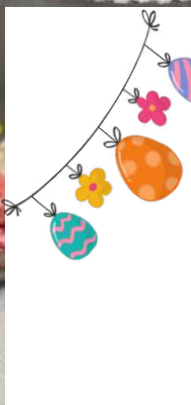

**Happy
Birthday!**
