

## Hello again families and friends of Glenview

We packed our snacks and smiles for a lovely day out at the park! Residents soaked up the fresh air, listened to the cheerful chirping of birds, and basked in the sunshine. Laughter filled the air as stories were shared over a delicious picnic spread. A gentle stroll and a few light-hearted games rounded out the day—lifting everyone's spirits and leaving hearts full.

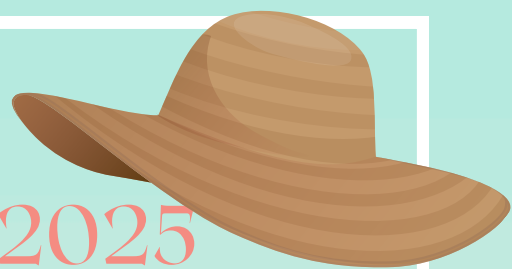

Laughter echoed through the lounge as residents embraced the fun of friendly competition! From classic board games to energetic rounds of bingo, there was something for everyone to enjoy. Cheers and chuckles filled the room as players tested their skills and celebrated each other's victories. "We don't stop playing because we grow old; we grow old because we stop playing." – Ian ☒

Our baking session turned into a sweet celebration as residents rolled up their sleeves and got creative with cupcakes! Swirls of icing, sprinkles galore, and a whole lot of love made each treat a tiny work of edible art. With laughter in the air and tea in hand, the best part was, of course, enjoying the tasty rewards together!

To celebrate our buzzing little friends on International Bee Day, residents enjoyed a vibrant art and craft session!
