Sweet smiles appeared as our coordinator rolled the Ice Cream Trolley room to room, serving favourite Flavors and a taste of summer right at residents' doorsteps.

Board games and group challenges kept minds sharp and spirits high. Ian said it best: "Board games bring us together and keep our minds sharp!"

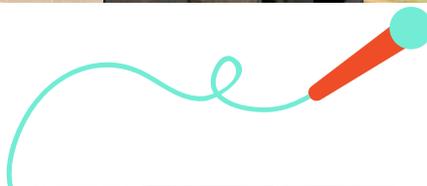

Game On!

My name is Tim Berry and I'm thrilled to be working as an activity's coordinator at Glenview and Meadow care! I've always loved puzzles, games and activities and I'm an old soul who loves to connect with older generations. I have 4 years voluntary experience providing a quiz for aged care residents and it was a truly fulfilling experience. As an Activity Coordinator I will bring patience, empathy, and excellent communication to engage with diverse individuals. I look forward to growing in problem-solving and adapting activities to meet the needs of such valuable residents.
