☀️ Glenview Gazette – Summer Smiles Edition ☀️

The sun was shining, the sausages were sizzling, and laughter filled the air! Our garden BBQ brought everyone together for juicy burgers, cheerful chats, and a few extra helpings (we won't tell!).

“Good food, good company, and music that made our hearts dance.”

With soft music playing, residents enjoyed gentle hand massages and fresh hairdos. The room was full of smiles and a peaceful glow.

“Taking care of ourselves is a little act of love—and a lot of fun!”

Our trivia afternoon had everyone thinking, guessing, and giggling. Val and Tim surprised us all with their quiz wizardry! “You’re never too old to learn—or to laugh when you get it wrong!”

Delicate butterflies fluttered through the garden, bringing joy and wonder. One even landed on Christina's nose—what a special moment!

“Sometimes happiness lands softly... right on your nose.”

The Lounge was alive with cheers and friendly competition. Bingo winners celebrated with pride—and maybe a cookie or two!

“Laughter and play keep the spirit young.”

Paintbrushes danced, colours flew, and creativity bloomed! Some masterpieces made us proud, others made us laugh—and all were beautiful.

“Art is about expressing joy, even if it gets a little messy!”

We sang, we cheered, and we enjoyed every bite of cake! Birthdays here are more than just candles—they're moments of joy shared with friends.

"A birthday is a reminder that every year brings more reasons to smile."

Happy Birthday!

Fresh air, good food, and a few cheeky bugs made our picnic a perfect day out. Barry said it best:

“A picnic is the best kind of therapy—especially with friends.”

Leaves, twigs, and glitter turned into magical creations. Our green thumbs were hard at work, and the results were stunning. “From one tiny acorn, a forest—and a lot of smiles—can grow.”
