

Hello Friends and Families!

Whether you're young or simply young at heart, our train-themed day had us chugging full steam ahead into fun and imagination! Herbert became the ultimate conductor exploring the train set, Sheila powered through a quiz like a true problem-solver, and Barry delighted us all with warm stories from train journeys past. A wonderful day of nostalgia, laughter, and locomotion-inspired joy!

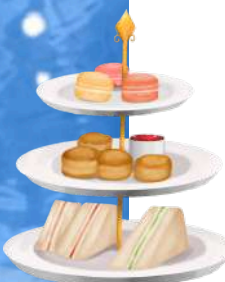

At Glenview, the Disney magic never fades! Our session sparkled with creativity as Christine brought colours to life with her paintbrush, David shared treasured Disney memories, and Doreen embraced the toys with pure delight. It was a day where imagination truly soared—and the Disney spirit filled the room like pixie dust!

Nothing lights up the room quite like Bingo! The excitement was contagious as players leaned in, listened hard, and waited for that final lucky number. Cheers, laughter, friendly competition, and joyful cries of “Bingo!” made the day feel electric. Simple moments turned into unforgettable memories—and everyone left with a smile!

Our tea party was a cozy celebration of music, chatter, and togetherness. Laughter flowed as smoothly as the tea, and the room glowed with warm conversations and gentle melodies. And as Christina wisely shared, “A cup of tea a day keeps the worries away.” A perfect reminder to sip slowly, smile often, and savour every moment.

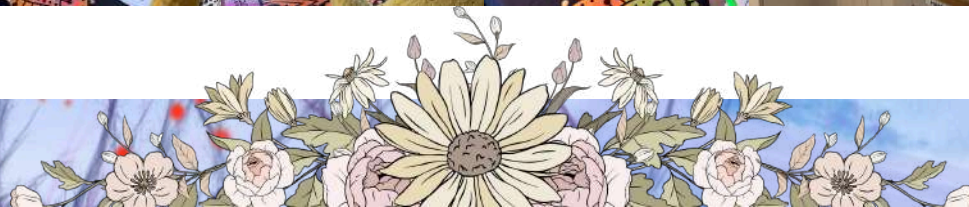

November burst into life with our Colour Splash activity! Brilliant hues and soft autumn shades danced across the page as participants let their imaginations run wild. Each artwork captured the magic of the season—warm, inspired, and wonderfully creative. A vibrant celebration of colour, coziness, and November charm!
